CHARITIES WE SUPPORT

Your sponsorship will help with supporting projects of not-for-profits. The programs aid to people of all ages, backgrounds and abilities. Throughout the year they provide continuous assistance to individuals and families in need. The not-for-profit organizations maintain the belief that programs and services should be available to everyone. These not-for-profits continue to be a place where families find a safe, positive environment for themselves, their family, and their needs.

With the help of individuals, businesses and groups who sponsor this event, we will be able to support not-for-profits for individuals and families in need. The poverty levels have reached an alarming number and people cannot afford the food, clothing, and health care necessary to sustain a healthy lifestyle. We cannot do this without our sponsors of this event!

Communities thrive because neighbors support each other and give back to those less fortunate. From this we all build relationships that further our sense of belonging. Learn more about these not-for-profits at their websites.
